

United States Embassy Buenos Aires, Argentina

Security Message for U.S. Citizens: General Strike

March 27, 2015

The U.S. Embassy informs U.S. citizens living and traveling in Argentina of a 24-hour general strike planned for March 31, 2015 (starting at midnight on March 31 and continuing through that entire day). You should expect disruptions in public transportation and traffic, as well as possible delays and cancellations of flights into and out of Buenos Aires. While the strike will likely focus on the capital city, disruptions may also take place countrywide. Travelers are encouraged to frequently check all scheduled flights at Aeropuertos Argentinos' general information number, 5480-6111, which will direct inquiries to the correct airport office with a recorded message in English and Spanish.

Even demonstrations intended to be peaceful by those striking can turn confrontational and escalate into violence. You should avoid areas of demonstrations, and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations. Review your personal security plans; remain aware of your surroundings, including local events; and monitor local news stations for updates. Maintain a high level of vigilance and take appropriate steps to enhance your personal security and follow instructions of local authorities.

We strongly recommend that U.S. citizens traveling to or residing in Argentina enroll in the [Department of State's Smart Traveler Enrollment Program \(STEP\)](#). STEP enrollment gives you the latest security updates, and makes it easier for the U.S. embassy or nearest U.S. consulate to contact you in an emergency. If you don't have Internet access, enroll directly with the nearest U.S. embassy or consulate.

Regularly monitor the State Department's [website](#), where you can find current Travel Warnings, Travel Alerts, and the Worldwide Caution. Read the [Country Specific Information for Argentina](#).
